POSITION & RESPONSIBILITIES: This role will give you rich and well-rounded exposure to various critical investing aspects and will prepare you to take on a variety of roles across the finance industry. Activities will include:

- (i) Financial Analysis: Financial models, valuations, exit scenarios, capitalization tables.
- (ii) Data and Insight Development: Market and transaction comps, industry analysis.
- (iii) Transaction Support: New pipeline development till investment.
- (iv) Portfolio Company Management: Tracking performance metrics and governance matters, reporting, contributing to company-specific projects.

CRITERIA TO BE AN ELEVARIAN: If you have the ambition to learn and grow at an accelerated pace and have demonstrated a relevant commercial track record based on the criteria below, we would love to hear from you.

- Pre MBA with CFA level 3 or MBA from a reputed institution or a CA with 3 to 5 years of experience in investing / equity research / finance / investment banking / business or operations consulting.
- An international stint of 6+ months in a bulge bracket investment bank is preferred.
- Demonstrated ability to build and analyze financial and business models.
- Ability to synthesize large data sets and distil key points along with strong research skills.
- Strong project management skills.
- Exceptional business communication skills in English (written and spoken) with a bias for simplicity and clarity.
- Strong desire and ability to work with a diverse, international and cross-continental team.
- Attention to detail, a willingness to work hard and take ownership, a tremendous sense of humor, a team player, a deep desire to work at Elevar and the ability to take instant feedback.

APPLYING: Interested candidates are requested to send a cover letter and resume to recruit@elevarequity.com with the email subject line "Analyst / Associate - EE BLR" by 30th April 2023. We want to know why you want to work at Elevar and why we should recruit you (share examples of things you have done, how you would approach your day to day job and the criteria that you do / do not meet). If we get curious about your application, you will hear from us within 10 days. Elevar is an Equal Opportunity Employer.
